Dear Mr. Gutman,

This letter comes long overdue, but hopefully not too late to acknowledge five of your NYC Mover employees - Dan, Izi, Izik, Yair and Raz. My husband and I had our belongings moved with your organization from Brooklyn, NY to East Brunswick, NJ on August 16, 2005. These gentlemen from your company helped to make this process easy and painless, and were extremely professional.

We first came across your organization in 2003, when my husband and I were seeking a moving company for a move from Manhattan to Brooklyn. Due to your organization's professionalism, attention to detail and great rates, it was without question that NYC Movers would be the organization we would choose. When it came time to prepare for our next move, in 2005, from Brooklyn to East Brunswick, NJ, again, there was no question as who we would choose, NYC Movers

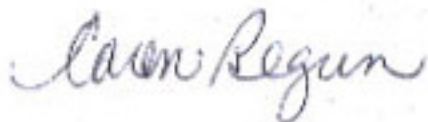

Dan, who we spoke with for our most recent move in 2005, and throughout the process, answered all of our questions and eased our concerns. He helped to set up a professional team to meet our moving needs and was professional and very helpful.

The four gentlemen who then moved us in 2005, Izi, Izik, Yair and Raz, were amazing. They were all extremely careful with our belongings, friendly and professional. They worked well as a team, so much so that my husband and I said that if we planned for another move in the future we would like to have this team of professionals specifically, who we know we can rely on to manage the job, care for our belongings and provide us peace of mind necessary during this typically stressful process.

My husband and I are planning for our next move, this time from East Brunswick, NJ to Jersey City, NJ mid-September 2006. We are hoping that we can negotiate a nice package, as we did last time, and hope that Dan, as the representative, and Izi, Izik, Yair and Raz as the team to conduct/ manage the move; to help us with this next move. We would very much like to acknowledge each of these gentleman, and look forward to working with your organization again and following up to secure our next move with NYC Movers.
