Dear David and Michael,

I just wanted to write you to acknowledge the wonderful work done by our crew. They Were extremely professional helpful and friendly. Also, the foreman jay Cook was excellent as he ensured that the move was efficient and protective of our furniture. From the visual quote that jay did last Tuesday, November 14th to the actual move on Tuesday, November 21st. I have experienced nothing but the best from your moving company and I would like to congratulate you on your fine employees.

Thank You so much and i look forward to using your company again in the future.

Sincerely,

Emily Gannett
