Dear Movers:

This letter of thanks for my pleasant and smooth move from Port Washington, New York to Laguna Woods, CA. Your movers showed up early to pack my "things"-they were efficient, fast, very polite and extremely helpful. This was my 25th move as an adult, so I do have a little experience.

On the other side was Avi, your long distance hauler. I was in contact with him for three days while he was on the road and had some sense of when I would receive my "things." On the day he arrived, his helper had been sent home due to illness, Avi had to unload my stuff by himself. Never a complaint and I still do not know how he did it (he is very strong!)

After I finished unpacking all the boxes, I realized that my toolkit was not in my space. A brief telephone call to New York, and it was located. I had it back in two days.

What can I say-you people did a fabulous job moving me. I truly appreciate it.

Sincerely,

A handwritten signature in cursive script that reads "Gail Garrick". The signature is written in dark ink and is positioned below the word "Sincerely,".
