Whom it may concern,

This is the second time I have used NYC Movers in the last 6 months, both times I have been very satisfied with the company and the individual movers. I received efficient, conscientious and. courteous service for my last 2 moves. Unfortunately, I do not remember the names of the three men from my move in June. However, I would like to take the time to compliment Ray and the 2 other gentlemen who moved me from Harlem to a storage unit in NJ on Tuesday, September 27th. They made my moving day completely stress free. Thank you very much.

Sincerely,
